* Berthing of boats temporary

** Perment berthing of boats (with assigned berthing)

BERTH RATES

The rates in the table BELOW are due for the berthing of boats in the Yachting Marinas of APL, S.A. (Bom Sucesso, Belém, Santo Amaro and Alcântara or any other area for leisure craft), on a temporary basis * (daily, weekly and biweekly) and on a permanent basis ** (Monthly, Semi-annual and Annual).

- The boat is classified in the class where one of two fixed limits are satisfied.
- The rate to be applied is always the one that corresponds to the place, except in APL, S.A. commercial interest.
- Vessels whose dimensions exceed the limits set for class X will have the payment of the rate fixed for this class increased by 50%.
- The multi-hull boats are classified according to the limits fixed for the length and will take into account only half of the beam. The rate resulting from its integration in the corresponding class will be multiplied by 50%.
- The rates include the services of water and electricity installed in pontoons.
- APL, S.A. reserves the right to measure the vessel in case of doubt about dimensions.

PILOTAGE SERVICE

- Recreational vessels over 40m in length, class IX or higher, with destination to Marina de Lisboa are required to provide pilotage service on the first entry manoeuvre, for each stay request.
- The Pilotage service rate for the first entry maneuver is included in the berth rate provided for Marina de Lisboa in this Regulation.
- For non-compulsory pilotage services, will be provided the rates of the 13° article of the Rules and Regulations for the Exploitation and Use of the APL,S.A..

EQUIPMENT RATES

1. Fixed electric crane

Crane Service is charged in non-divisible periods of half an hour and per operation, at the rate of 24,41 € per half-hour period.

2. **Travel-lift Service** is charged in non-divisible periods of half a hour and per operation, at the following rates per half-hour periods:

- Up to 12 meters: 99,54 €

- More than 12 meters: 117,11€

3. For using Pump Out, at Alcântara Marina, a rate of 13,91€ per operation.

MAGNETIC CARDS TO ACCESS THE DOCKS

- The magnetic cards' value is 28,60€.
- For licensed repairmen, the first magnetic card is exempt of tariff and the second and following cards will cost 28,60 € each.
- The activation of the cards acquired under the terms stated in the previous number is free of charge.
- The reactivation of the cards that have amounts in debt, is subject to a rate of 46,42 €.

RATE REDUCTIONS

1. Leisure crafts that participated and completed a minimum of 16 regattas during the 2023 calendar of the Associação Regional de Vela do Centro (Regional Sailing Association), until 15th December including, within the jurisdiction area of APL, S.A., will benefit from a 25% discount on rates stipulated in item "berth rates" for the year 2024. The regattas eligible for the discount must start or end at one of the docks under the direct management of APL, S.A.. The attribution of this discount is also subject to signing up for direct debit from the customer, except customers with an annual tariff.

For the purpose of counting the number of regattas, the APL, S.A. regatta counts as 3.

The Associação Regional de Vela do Centro will confirm the participation and the number of regattas until 20th December of each year by sending the list to APL,S.A..

In case of leisure craft exchange the reduction will be based on the one that performed the largest number of races.

2. Leisure crafts belonging to nautical clubs with facilities at the Yachting Marinas that do not benefit from the exemption stipulated in n° 1 of article 15° of the Operating Regulations of the Yachting Marinas, benefit from a 40% reduction on rates in item "equipment rates".

3. Regarding the boats listed in the Registration Book of Marinha do Tejo and under the responsibility of Museu da Marinha, a reduction of 50%, will be applied, taking the previous table into account.

4. The Rates set out here are subject to VAT at the legal rate in force.
