BERTH RATES

weekly

• The rates include the services of water and electricity installed in

The rates in the table below are due for the berthing of boats in the

Yachting Marinas of APL, S.A. (Bom Sucesso, Belém, Santo Amaro and Alcântara or any other area for leisure craft), on a temporary basis *

• The boat is classified in the class where one of two fixed limits are

• The rate to be applied is always the one that corresponds to the

• Vessels whose dimensions exceed the limits set for class X will have

• The multi-hull boats are classified according to the limits fixed for

the length and will take into account only half of the beam. The rate

resulting from its integration in the corresponding class will be

the payment of the rate fixed for this class increased by 50%.

biweekly)

and

place, except in APL, S.A. commercial interest.

permanent basis ** (Monthly, Semi-annual and Annual).

• APL, S.A. reserves the right to measure the vessel in case of doubt about dimensions.

PTI OTAGE SERVICE

- Recreational vessels over 40m in length, class IX or higher, with destination to Marina de Lisboa are required to provide pilotage service on the first entry manoeuvre, for each stay request
- The Pilotage service rate for the first entry maneuver is included in the berth rate provided for Marina de Lisboa in this Regulation.
- For non-compulsory pilotage services, will be provided the rates of the 13° article of the Rules and Regulations for the Exploitation and Use of the APL.S.A.

Equipment rates

• Fixed electric crane

Crane Service is charged in non-divisible periods of half an hour and per operation, at the rate of 25,42 € per half-hour period.

- Travel-lift Service is charged in non-divisible periods of half a hour and per operation, at the following rates per half-hour periods:
 - Up to 12 meters: 103,66 €
 - More than 12 meters: 121,96€
- For using Pump Out, at Alcântara Marina, a rate of 14,48€ per

OTHER RATES

- For the issuance of a Private Use License for water resources under public domain is due the rate 89,45 €.
- For the use of infrastructure under the jurisdiction of APL, S.A., just for the embarkation and disembarkation of passengers or for launching the vessel onto water/land, the reates shown in Table III is due, according to the size of the vessel:

Rate (daily) Euros
8,86€
14,20€
17,75€
23,07€
26,61€
35,50€

Magnetic cards to access the docks

- The magnetic cards' value is 15,30€.
- For licensed repairmen, the first magnetic card is exempt of tariff and the second and following cards will cost 15,30 € each.
- The activation of the cards acquired under the terms stated in the previous number is free of charge.

• The reactivation of the cards that have amounts in debt, is subject to a rate of 48,32 €.

Rate reductions

- Leisure crafts that participated and completed a minimum of 16 regattas during the 2025 calendar of the Associação Regional de Vela do Centro (Regional Sailling Association), until 15th December including, within the jurisdiction area of APL, S.A., will benefit from a 25% discount on rates stipulated in item "berth rates" for the year 2026. The regattas eligible for the discount must start or end at one of the docks under the direct management of APL, S.A.. The attribution of this discount is also subject to signing up for direct debit from the customer, except customers with an annual tariff.
 - For the purpose of counting the number of regattas, the APL, S.A. regatta counts as 3.
 - The Associação Regional de Vela do Centro will confirm the participation and the number of regattas until 20th December of each year by sending the list to APL, S.A..
 - In case of leisure craft exchange the reduction will be based on the one that performed the largest number of races.
- Leisure crafts belonging to nautical clubs with facilities at the Yachting Marinas that do not benefit from the exemption stipulated in no 5 of article 190 of the Operating Regulations of the Yachting Marinas, be berths are granted, on an annual parking basis, up to a limit of two vessels, the dimensions of which do not exceed the limits established for class IV, with exemption from fees, whenever required,
- Regarding the boats listed in the Registration Book of Marinha do Tejo and under the responsability of Museu da Marinha, a reduction of 50%, will be applied, taking the previous table into account.
- The Rates set out here are subject to VAT at the legal rate in force.
